Presbytery Votes to Adopt Matthew 25 Vision

At its September Presbytery Gathering, we elected to adopt Matthew 25 Vision, which will allow the Presbytery of Milwaukee to consider and support three priority areas for ministry and mission: Medical Care, Housing, and Education. The vision will be developed throughout 2021, and the Presbytery Gatherings in February and September will provide space for the Presbytery to consider further implementation of the vision. The vision will be presented to the Presbytery for approval in 2022.

Presbytery Adjusts Ministries Due to COVID-19 Pandemic

In March, the COVID-19 pandemic led us to close our office building, which was followed by other ministry adjustments and outreach. We moved to virtual worship and other church services, and we also adjusted our ministry strategies to focus on pastoral care and counseling. From a financial standpoint, we continued to support ministry and mission work, with some adjustments to our budget.

Care for Pastors

Presbytery pastor care packages are an integral part of our commitment to supporting our pastors and their families. We strive to provide resources and support to help them care for their own needs and also their local communities. This year, we provided a variety of resources, including prayer cards, care packages, and financial support, to help our pastors and their families during the pandemic.
