

November 1, 2024

To all Presbytery of Milwaukee Church Treasurers,

Thank you all for the ministry you do for your churches and the presbytery.

For your convenience, this letter provides links to several helpful forms for 2025. All of these are also available on the presbytery's website and include where they should be mailed.

Shared Mission Pledge

At the direction of your session, please complete the Shared Mission Pledge Form with your estimate of shared mission giving for 2025 and return it to us by February 15th. Please include your intended gifts for the Presbytery of Milwaukee, the Synod of Lakes and Prairies, and the PC(USA) General Assembly.

The **Shared Mission Pledge** form can be found [here](#).

Mission Remittance Forms

While the Pledge Form includes giving to the Synod and GA, the Presbytery is no longer the “receiving station” for mission giving to the Synod and General Assembly. As we have been doing since 2023, we encourage you to send Special Offerings, the GA portion of Shared Mission Support, and other Designated Mission dollars *directly to the denomination*, enabling a more efficient way for the funds to be distributed. Your gifts go where they are intended faster and that's a good thing for God's mission!

Please use the [PMA Remittance Form](#) with checks for any of these gifts to the General Assembly.

Likewise, we ask that the Shared Mission Support for the Synod be sent directly to the Synod along with the [Synod Remittance Form](#).

Presbytery Remittance Form

The Presbytery continues to receive all funds for Per Capita, the Presbytery portion of Shared Mission Support, and the Presbytery's portion (25%) of the Peace & Global Witness Offering. We will also gratefully receive your gifts for the San Jose Fellowship in Beloit and the Kairos Collective (the New Worshipping Community).

Please use the [Presbytery's Remittance Form](#) to accompany any of these payments.
