**“Fresh Impressions”**  
**July 2019**

The Milwaukee Presbytery Disaster Preparedness and Response Task Force (DPRTF) has been preparing a series of articles regarding important resources that congregations can use to better prepare and respond to a variety of emergency situations. Listed below are two references on natural disaster preparedness which will educate, inform and advise congregational leadership on preparing for unexpected natural disasters. Future planned monthly references include Medical Emergencies in August and Usher/Greeter Training in September.
